

## PROFILE

bizzkom Business Communications is a marketing and corporate communications consultancy. We offer integrated communication services as a one stop shop and manage the image of your business, brand, products and services.

We make our customers successful by focusing on the market sectors of Fitness/Wellbeing, Healthcare and Clean Technology and the target oriented integration of communications services.

To do that we work with a network of top specialists in the areas of Public Relations, Investor Relations, Training, Event Management and Advertising.
